

**Serving Illinois**

## **U of I Move-In Service**

### **Let us move you into your residence hall**

Boerman Moving & Storage will drop off a 27x 36 x 29 (16.3 cubic feet), or its equivalent, shipping container to your house anywhere within Illinois. Load it with anything you have in it such as books, computer, TV, stereo, clothes, or whatever. We'll then deliver it right to your room. For a few dollars more we can give you another shipping container or move items that won't fit in the container such as rugs, bikes, etc.

Boerman Moving and Storage has been servicing the Chicagoland area with professional moving services since 1926. Rest assured that by choosing Boerman, your student's possessions will be handled with care.
